

# Congregation Revitalization Covenant

**We hereby reaffirm our commitment to the study of Scriptures and to align our lives and ministry with the Word of God.**

**We commit to intercessory prayer and to a Scriptural evaluation of the issues and concepts surfaced in the Revitalization Process.**

**We commit to participate in leading our church to a greater focus on and personally become involved in the Great Commission.**

**We commit to implement the agreed upon new goals that come out of the Revitalization Process.**

**We commit ourselves to budget \$400 for the pastor retreat, revitalization material, and a Church Development survey.**

**We are aware that there will be minimal out-of-pocket costs for meals, mileage, and some additional books from a bibliography that might be significant for specific congregational goals.**

**We commit our pastor(s) and congregation to the revitalization project with 5 - 10 lay leaders attending the training meeting.**

*Corporate renewal can lead us to become a Great Commission congregation. Our pastor(s) and congregational leaders will gain strategic focus to assist our church in its mission and ministry. The pastors' retreat, an initial training event for our leaders, and regular peer support for our pastor will assist the process in moving forward.*

*To enroll in the process, fill out the form below and mail it along with a check for \$400 made out to "Nebraska District--LCMS." Mail to Nebraska District Revitalization Project, PO Box 407, Seward, NE 68434-0407*
