

## **Preface to Cross-Driven Life Lessons**

The folder being sent to you includes seven Bible study lessons prepared by the three Pastors at Messiah Lutheran Church in Lincoln, NE. Each pastor has his own style of preparing and presenting Bible studies, therefore lessons reflect the style of the preparer. Several lessons contain an answer key; where no specific answer is intended, a question/discussion format is presented.

If the Cross-Driven Devotional Booklet you received earlier is used with these lessons, you will notice that the titles are slightly different from what was listed on the Cross-Driven Life Schedule. Although titles have changed, lessons follow the seven themes in Rick Warren's book, *The Purpose Driven Life*.

Blessings to you as you review and use these lessons.
