

Celebrating the Ministry of Camp Luther

Mission Statement:

“Share Christ’s love in the great outdoors!”

History:

Established in 1967 by a group of dedicated people and encouraged by the Nebraska Districts of LCMS, the camp purchased 160 acres and began the task of building roads, a lake and buildings. Today the camp is owned by an Association of Congregations from all over Nebraska. It is a registered 501©3 non-profit organization. In 2007 the camp will celebrate it’s 40th birthday.

Programs:

Today over 4000 children, youth and adults enjoy summer camps, retreats, outdoor education, family reunions, work weekends, service projects, day camps, family camps and much more at the camp’s year round programs and facilities.

“Shine!”

(Matthew 5:14-16)

*is Camp Luther’s theme for 2005,
used to help campers see how everyday actions can glorify God.*

Responsive Reading for Camp Luther Sunday:

L: You are the light of the world.

R: A city on a hill cannot be hidden.

All Shout: SHINE!

L: Neither do people light a lamp and put it under a bowl.

R: Instead they put it on its stand and it gives light to everyone in the house.

All Shout: SHINE!

L: In the same way, let your light shine before men,

R: that they may see your good deeds

L: And praise your Father in heaven!

All Shout: GO SHINE!

Sing Together:

This Little Gospel Light of Mine.

Pray Together:

Dear Lord,

You have blessed us with the gift of nature from the beginning of time. Today we give thanks for the ministry of Camp Luther to our children, youth and families in the setting of your creation.

We pray that you will continue to use this ministry for the renewing of our spirit and as well as for the deepening of our relationship with you.

Continue to bless all who hear your saving word as they hike, swim, canoe and sing in nature.

In the name of your dear Son! Amen!
