

Sandhills Ministry

The church is not a building; it is you, the **believers in Christ**. This is true, even in regard to the Nebraska District. The District is not a building, it is not 244 churches, it is **faithful people who are committed to sharing the Good News of Christ** with those in the Nebraska District, across the country, and around the world.

The Nebraska District would not have a ministry without you and your prayers for the missions and ministries we together support. You are an important part of this work and we truly *thank you* for your partnership.

Because you are an important part in sharing Jesus with the world, we would like to share with you an example of how your prayers and financial support are at work in the **Nebraska Sandhills**.

Here, the Gospel is carried to God's people who might otherwise never hear its sweet sound. The need is great because **the mission field is so large** -- extending from **Merriman** near the Nebraska/South Dakota border to **Grant** in the south, from **Bingham** in the west to **Halsey** in the east.

The mid-week program is currently reaching out to more than **25 young people** in the area, many who are **unchurched**. This ministry is also looking for opportunities to shine the light of Christ in **small communities** where churches of other denominations have closed. They are filling that void by **sharing the message of Jesus Christ** with those in these communities.

Over a distance of hundreds of square miles we seek to bring "lost sheep" into a personal relationship with Jesus Christ. This ministry is made possible only because **you love as Christ first loved you**.
