

The University Lutheran Chapel

Did you know that **75% of all students on college or university campuses are unchurched?** On a campus the size of UNL, think of how many students that includes. **What can be done?** How can we reach these students with the Good News of Jesus Christ?

A Meal and Fellowship at the Chapel

Did you know that as a congregation of the Nebraska District, **you are already making a difference?** Through your prayers and support, the University Lutheran Chapel on the UNL campus is **preaching and teaching the Word of God** to traditional, non-traditional, and international students on campus.

University Students

The Chapel is able to provide **Word and Sacrament worship** and **Bible classes** each week, along with many other opportunities for the students to **build relationships** with one another and with their Lord.

These opportunities include English as a Second Language classes and English conversation partners, which allow **students share the love of Christ and build a meaningful relationship** while helping an international student improve his or her English. Small group Bible study also involves over 100 students in the study and discussion of God's Word each week.

Music teams, mission trips, and other outreach activities allow the students to share their time, talents, and treasures with those on campus, in the Lincoln community, and around the world.

The Lord has blessed this ministry among the university students and led nearly **20 international students to the waters of Holy Baptism.** The University Lutheran Chapel and the Nebraska District **thanks you** for your continued support of this ministry.

For more information, contact Pastor Bill Steinbauer at 1-402-477-3997 or visit the chapel website at www.lutheranchapel.org.
