

**ABLAZE!**

## 2009-2010 Official Adoption Agreement -Sudan Ministry Radio Call for Communication

In an effort to meet the Ablaze objectives this radio project will facilitate the first-ever communication network of Evangelical Lutheran Church of Sudan (ELCS), linking the main office to the pastors and lay leaders in the congregations.

This project will implement communication systems to meet the needs for preaching God’s word to the people, demands for sacraments, and training opportunities in the centers.

Above all, sharing information among the different regions of Sudan will create a uniting factor expected to be a strength for the ELCS.

In supporting this ministry the following locations are where the Codan radios are expected to be fixed: Juba, Malakal, Wau, Yambio, Rumbek, and Yei.

### Measurable outcome

- Establish firm and easy connection between ELCS centers.
- Sharing of information, planning workshops, seminars, and lay leadership training activities among the Church’s centers in different parts of the country.

### As a result

- There will be flow of information
- Directives to pastors and evangelists
- And receiving updates on the security situation in the different regions.

## Evangelical Lutheran Church of Sudan

Please prayerfully consider the adoption agreement options on the other side of this document.
