

OFFICIAL ADOPTION AGREEMENT 2009-2010

Trained Teachers in Sudan

The Lutheran schools in Sudan are desperately in need of certified teachers. Because of the long history of war in Sudan, trained Sudanese teachers are generally not available.

Certified teachers are available from neighboring Kenya for a cost of approximately \$3,700 per year. Having two or three trained teachers at each school to teach alongside the untrained teachers, who are usually youth who did well in school, would be a blessing to the students.

There is a need for **eight** trained teachers to help educate the students while sharing with them the love of Christ.

Please pray:

- For trained teachers to share their academic and spiritual knowledge with the students
- For the Lord to use these schools to open doors for sharing the Gospel
