Sudanese law states that all students in Sudanese schools must wear school uniforms. Many parents cannot afford the cost of a uniform for their child to attend school.

This gift will make possible:

- Students will not be turned away from a Christian education because their family cannot afford a uniform. There are currently over 1,300 students in three Lutheran schools in the Upper Nile region in Sudan

- For \$3.00 apiece, a locally made and purchased uniform gives more children the chance to hear the saving message of Jesus Christ while gaining a useful education.

The Nebraska District publishes a quarterly Mission and Outreach newsletter, where you will hear stories from missionaries that are serving in the Nebraska field and abroad, as well as churches and individuals that are doing outreach in their community. If you would like to receive the quarterly emailed edition of "Mission Fields Nebraska" please email Nicholeh@ndlcm.org
