

Campus Ministry

Did you know **75% of the students** on college and university campuses in Nebraska are **unchurched**? The Nebraska District thanks you for your **continued prayers and support** for the important ministry to these students.

Together we support **campus ministry programs** across Nebraska. Students on campuses in:

- Lincoln
- Omaha
- Kearney
- Wayne

are provided **Word and Sacrament worship opportunities** and **Lutheran fellowship**.

These ministries offer college students **Christ-centered relationships** and **connect** them to the **fellowship** and **worship** life of nearby LCMS congregations.

These ministries also have the opportunity to reach out to the **American and international students** on their campuses, including many students who **have never heard of their Lord and Savior Jesus Christ**.

This ministry is possible only through God's blessings of support from congregations such as yours. We truly **thank God for each of you** and for your partnership with us in our ministry for Him.

More information on this and other ministries is available by contacting the District Office.
