

# Crísto Cordero de Díos

The children are telling the Christmas story to a full church, like so many other children across the country are doing on the same night. Mary and Joseph enter the church on their way to Bethlehem.

As they reach the front of the sanctuary, they begin knocking, looking for a place to stay. They ask the innkeeper for a room, and it's easy to notice that something is different. The language being spoken is not English, but the Christmas story is being acted out in Spanish. The couple searches for a place to rest for the night, and finally they are shown to a stable behind the inn.

"No room in the inn" is a familiar phrase in the Christmas story, but we can thank God we don't have to tell the Hispanic population in Grand Island that there is no room for them to worship! Thanks to the support and prayers of the members of the Nebraska District, Cristo Cordero de Dios has been serving the spiritual needs of the Hispanic community in Grand Island since 1995. The Lord has blessed the Nebraska District by allowing them to provide a place of worship, as well as a fellowship hall, to help spread the Good News of Jesus.

Cristo Cordero de Dios joined the LCMS as the first ethnic congregation of the Nebraska District in 2004 and continues to offer Word and Sacrament ministry, radio ministry, Bible studies, Vacation Bible School, and many other ministry opportunities to the Grand Island community.
