Join us on Day 1, between registration and the Opening Mass Event. Your attendance at the District event will give you early access to the stadium and reserved seating for the opening event so you don't have to fight crowds and stand in line!

Registration Includes:

- State fair-style food
- Entertainment: Those attending the District event will receive a code to participate in a GooseChase. This is an app-based scavenger hunt that will let participants use their phones to interact throughout the gathering. We will kick off the game at the District event and will continue challenges throughout the Gathering.
- Reserved seating for the Opening Mass Event on Thursday evening.

The event starts at 5:00 p.m. Food will be served buffet style throughout the event, but we encourage you to eat at the beginning of the event. We will kick off our activities at 6:00 and plan for this to be a good way for you and your group to meet other people from the Nebraska District, other Districts, find your way around the city of Minneapolis, and navigate all aspects of the Gathering. At 7:00, before the doors open for the opening mass event, our group will be ushered to our reserved stadium seating. The opening mass event is scheduled to begin at 8:00.

To register your group for the District event, please complete the registration form and return it, postmarked on or before April 15, 2019. Include a check for the total amount due, payable to Nebraska District LCMS. (*Online registration/payment is not available for this event.*)
